EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 3, line 2, the word "for" has been deleted and the word "establishing" has been changed to --establishes--.

In claim 5, line 2, the word "for" has been deleted and the word "defining" has been changed to --defines--.

In claim 5, line 10, the word "for" has been deleted and the word "selecting" has been changed to --selects--.

In claim 5, line 11, the word "for" has been deleted and the word "editing" has been changed to --edits--.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

Claims 1-16 are allowed based on the follow reason:

The limitations of having an interface for applying a mapping rule in accordance to a task name and a condition and selecting commands from a list of commands to generate a task schedule in time sequence for controlling a satellite in combination of all the limitations in the currently amended claims are neither taught nor suggested by the prior arts cited as a whole, either alone or in combination.

(5,506,780) Montenbruck et al. discloses an apparatus for orbit control of satellites, however, is only discussing predicting and planning maneuver, having databases for storing orbit and maneuver parameters and data and manages data automatically, monitor relative movement, distances and velocities, user interface for input and export of external orbit data in a matched format and not the limitations as currently amended above and in combination of all limitations in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to SZE-HON KONG whose telephone number is (571)270-1503. The examiner can normally be reached on 7:30AM-5PM Mon-Fri, Alt. Fri. Eastern Time.
